WHAT'S NEW

- Over half of our situations are brought by WRPS (53%, n=39), followed by oneROOF (16%, n=12).
- CMHA, FACS, and Grand River Hospital have each assisted on 30 or more situations.
- Taylor Newberry Consulting has finished the evaluation of Connectivity Kitchener and Connectivity Cambridge. Highlights will be presented at our August 13th meeting, and plans are being made to disseminate the full report.
- This month we had a visitor from YWCA, and representatives from Health Links, SHOW, St. John's Kitchen, Victim Services Waterloo Region and WRPS brought a co-worker to observe.
- October will mark Connectivity Kitchener's one year anniversary. We'll be celebrating! More information to follow.
- Did you know? Connectivity Kitchener is part of a Community of Practice with hub tables across Ontario. Currently there are 26 members who represent 18 communities - and one representative from the OPP.
